

Choose Actions to Add Dialog

File | Settings | IDE Settings | Menus and Toolbars

The dialog box opens when you select an item in the **Menus and Items List** and click the **Add After** button.

In the dialog box, choose the desired action to be added to the menu or toolbar and optionally assign an icon to it.

Item	Description
Action List	The list shows all the actions available in IntelliJ IDEA. The actions are grouped below nodes according to the areas of their use.
Icon Path	In this text box, specify the location of the file with the icon you want to assign to the selected action. If necessary, use the Browse button  to select the file in the corresponding dialog . <div style="border: 1px solid #ccc; padding: 5px; margin-top: 10px;"><ul style="list-style-type: none">■ The image file should have .png extension.■ The size of the toolbar icons should be 16x16.</div>
Set Icon	Click this button to associate the selected action with the icon specified in the Icon Path dialog box.
