

## Manage TFS Servers and Workspaces

File | Settings | Version Control | TFS

The dialog box opens when you click the **Manage servers and workspaces** button in the **TFS** dialog box. Use this dialog box to handle the list of TFS servers and [workspaces](#) you have access to.

Item	Description
Server/Workspace	This read-only field shows the URL addresses of TFS servers you have access to and workspaces available on these TFS servers.
Workspace comment	This read-only field shows the descriptions of workspaces on the servers you have access to.
Team Servers	<p>Use the buttons in this area to manage the list of available servers and workspaces and configure access to them.</p> <ul style="list-style-type: none"><li>■ <b>Add:</b> click this button to open the <a href="#">Add Team Foundation Server</a> dialog box where you can specify the parameters for establishing connection to a TFS server.</li><li>■ <b>Remove:</b> click this button to remove the selected server from the list.</li><li>■ <b>Reload workspaces:</b> click this button to have the list of available workspaces refreshed.</li><li>■ <b>TFS Proxy:</b> click this button to open the <a href="#">Set TFS proxy for server...</a> dialog box where you can specify the parameters for accessing the selected server via Proxy.</li><li>■ <b>Check-in Policies:</b> click this button to open the <a href="#">Edit Check-in Policies</a> dialog box where you can manage the list of check-in policies to be applied.</li></ul>
Workspaces	<p>Use the buttons in this area manage the list of available workspaces and update the workspaces, when applicable.</p> <ul style="list-style-type: none"><li>■ <b>Create:</b> click this button to open the <a href="#">Create Workspace</a> dialog box for creating a new workspace.</li><li>■ <b>Edit:</b> click this button to open the <a href="#">Edit Workspace</a> dialog box for editing the selected workspace.</li><li>■ <b>Delete:</b> click this button to remove the selected workspace from the list.</li></ul>
Close	Click this button to save the settings, close the dialog box, and return to the <a href="#">TFS</a> dialog box.
