

## Navigating to Navigated Items

---

You can go back and forth along the items that have already been navigated to. This feature applies to the items reached using all navigation commands except for the simplest ones, such as arrow keys, Pageup, Page Down, Home and End.

### To navigate to the navigated items

Do one of the following:

- On the main menu, choose **Navigate | Back / Forward**.
- Use keyboard shortcuts **Ctrl+Alt+Left** or **Button4 Click**, or **Ctrl+Alt+Right** or **Button5 Click**.
- On the main toolbar, click  or .

On a OS X computer, you can also use the three-finger right-to-left and left-to-right swipe gestures.
