

## Using Online Resources

---

If built-in documentation fails to answer your questions, you can find more information on the web. The following resources are available:

- [Official JetBrains home page](#) 
- [IntelliJ IDEA community](#) 
- [Blog](#) 
- [Online version of documentation](#)  contains the latest updates.
- Collection of [articles, white papers etc.](#) 

Finally, do not miss the *JetBrains TV* ([Help | JetBrains TV](#)). On the [JetBrains TV](#)  page, choose the desired channel, and watch screencasts.
