

The JetBrains Foundation Privacy Notice

Version 1.2, date: 20 December 2024

This Privacy Notice describes the personal information we collect from you in connection with our business, how we use and disclose it, and your options for accessing or updating it.

This Privacy Notice may be amended from time to time. We, The JetBrains Foundation, with its registered office at Na Hřebenech II 1718/8, Nusle, 140 00 Prague 4, Czech Republic, ID No.: 059 92 419, registered in the Foundation Register maintained by the Municipal Court in Prague, Section N, Insert 1490, are the controller of your personal data collected and processed in connection with the activities described in this Privacy Notice in accordance with our beneficial purpose:

- (a) providing long-term and strategic support for the development of society, science and technology that is beneficial and adds value to society;
- (b) providing targeted support and assistance to national minorities, migrants or politically, racially or otherwise persecuted or disadvantaged persons in the Czech Republic and abroad, who can reintegrate into and benefit from society thanks to this assistance.

Why we collect data and what we collect

We collect data for different purposes, on different legal bases and for certain periods of time, as set out below:

a) Promotion of the existence, purpose and activities of the Foundation - we will seek out, identify, inform, approach and communicate with the final beneficiaries of projects suitable for support from the Foundation, confirm interest in a particular project, conduct marketing campaigns to promote our activities and connect individual final beneficiaries with individuals and entities involved in the implementation of initiatives, activities and projects supported by the Foundation.

We may process your personal data to determine the content, scope and details of initiatives, activities and projects, to identify suitable target beneficiaries and to assess and decide whether you are eligible for Foundation support. We usually base the processing of your personal data on your consent and will inform you of the length of such processing whenever we ask for it.

b) Internal record keeping and protection of our rights and interests - we may process your personal data for the purpose of keeping internal records of our activities (in particular, providing funds to legal or natural persons implementing initiatives, activities and projects in accordance with the purpose of the Foundation, reporting to the recipient on the progress of these initiatives, activities and projects and on compliance with the conditions for the use of the funds) and protecting our interests. Our legal basis for such processing is our legitimate interest in maintaining such documentation and in protecting ourselves. We may retain your data for this purpose for up to 10 years after the donation.

c) Compliance with legal obligations imposed by accounting, tax and other legal regulations - we will process your personal data if we are required to do so by law (in order to benefit from tax advantages provided to non-profit organizations, we must document and prove that the funds were provided in accordance with the foundation's beneficial purpose). In such cases, our legal basis for processing will be the fulfilment of our legal obligation. The duration of this processing will be in line with legal requirements or necessary to comply with legal obligations.

What personal data we process

The categories of data processed include:

- Name and surname
- E-mail address
- Telephone number

We can provide our services to children under the age of 15. If you are a child under the age of 15, we may only collect and process your personal data with the additional consent of your parents or legal guardian. If such parental or legal guardian consent cannot be provided for objective reasons and you wish to apply for Foundation support or participate in an initiative, activity or project supported by the Foundation, please contact us.

Who may have access to your personal data

In order to achieve the purpose for which personal data is collected, we may share personal data with certain third party recipients that we engage in our initiatives, activities and projects. These recipients may include:

- JetBrains s.r.o., with registered office at Na Hřebenech II 1718/8, Nusle, 140 00 Prague 4, Czech Republic, ID No.: 265 02 275 as the founder of the foundation.
- Third parties with whom we work to achieve the Foundation's beneficial purpose (i.e., other nonprofit organizations we financially support, landlords, educational institutions, or other service providers).
- Third party service providers who help us run our not-for-profit activities (i.e. IT service providers who provide data storage and backup services, legal and tax advisors, external accountants) who are subject to confidentiality obligations.

We may also share your personal data with certain third parties where we are required to do so under applicable law (in particular, with tax authorities or other government authorities exercising their legal powers) or where such sharing is necessary to achieve the purposes defined above (in particular, with government authorities or with parties aggrieved by a breach of applicable law).

Security

We review our processes for using personal data before implementing them. This is done to minimise the use of data and to ensure that you, as the data owner, are informed about the processing of the data. Once the reason for storing the data has expired, we will remove your personal data from our servers.

We use partners to host our services and websites and to process your data who meet JetBrains Group's security requirements. When selecting partners, we check that they comply with legislation and security standards to ensure that your data is stored in a secure location with appropriate security measures.

Your rights

As provided for in the locally applicable data protection laws, you may have the right to: (i) request access to your personal data; (ii) request rectification of your personal data; (iii) request erasure of your personal data; (iv) request restriction of the processing of your personal data; (v) request portability of your personal data; or (vi) object to the processing of your personal data.

- Right of access: You may have the right to obtain confirmation as to whether or not personal data relating to you is being processed and, if so, to request access to your personal data. Information about the processing of personal data includes the purposes of the processing, the categories of personal data concerned and the recipient or categories of recipients to whom your personal data has been or will be disclosed. However, this right is not absolute and the interests of others may limit your right of access. You may also have the right to obtain a copy of your personal data that is subject to processing. We may charge a reasonable fee based on administrative costs for additional copies requested.
- Right to rectification You may have the right to have inaccurate personal data rectified. Depending on the purpose of the processing, you may have the right to have incomplete personal data completed, in particular by providing a supplementary statement.
- Right to erasure (right to be forgotten) In certain circumstances, you may have the right to request that we erase your personal data.

- Right to restriction of processing In certain circumstances, you may have the right to request that we restrict the processing of your personal data. In this case, the personal data concerned will be marked and may only be processed by us for certain purposes.
- Right to data portability In certain circumstances, you may have the right to obtain personal data relating to you that you have provided to us in a structured, commonly used and machine-readable format and to transfer that personal data to another entity.
- Right to object In certain circumstances, you may have the right to object at any time to the processing of your personal data and to request that we no longer process your personal data for reasons relating to your particular situation.

These rights can be exercised via the email address privacy@jetbrains.com.
